

PHOTOGRAPHY CHALLENGE

# Photography Challenge

## A picture tells a thousand words

Using a camera, phone or any device that can take photos, take a photo of something that is important to you or that represents you or your life.

Once the photo has been taken, send it through to us with a brief description of what the photo is meant to represent

Things to consider:

- Photo Composition - What you can see in the photo, where things are placed and how they come together to make your picture
- Light - Is your photo well lit or is it lit in the way that you want
- Story - What are you trying to capture and tell with this photo
- Post Processing - Once you have taken the photo are you going to change it at all?

We are looking for photos that tell a strong story so keep that in mind while planning and taking your photo.

Email your photo and description to [Levelup@getintogames.nz](mailto:Levelup@getintogames.nz)

**NOTE: Clearly label your files with your name and school so we know where you are from.**

**Due by 3:00pm 23rd June**
