

SHOUTCASTER CHALLENGE

Shoutcaster Challenge

What is a Shoutcaster?

Shoutcasters are the voices of esports, commentating on tournament games at real-world events and online. Just like traditional sports commentating, your role is to inform and to entertain without getting in the way of the action.

Individual or in a pair CHALLENGE

Audio or Video record 30sec clip of you commentating someone playing a video game.

Tips:

- Practice by watching Twitch or YouTube Gaming videos and commentate over the top.
- You should have good knowledge of the Game you are commentating.
- Record yourself using a phone or device and playback and listen to yourself. And get others to listen and give you feedback.

Record a Video or Audio files and share via Google Drive or Dropbox
